

How Healthy is Your Heart?

Find Out With a CT Heart Scan at Newman Memorial Hospital.

Call to schedule during February for a special rate of only \$40 for Healthy Heart Month

580-938-2551, ext. 123

About 735,000 people in the U.S. will have a heart attack this year. Understand your risk with a quick, painless and non-invasive test that measures the amount of plaque buildup in the coronary vessels. This determines your Heart Scan score, an accurate predictor of heart attack risk.
