

Newman Memorial Hospital Continues Community Education Program with a Free Lunch & Learn: Hypertension: Part 1 – The Basics

Newman Memorial Hospital will be hosting a **FREE** Lunch & Learn for the community on Tuesday, June 27th, 2017 from 12:00 to 12:30 in the Basement Conference Room. Lunch will be provided in addition to our speaker, so please arrive a few minutes early in order to get your meal! Our speaker will be Dr. Samuel Taylor, M.D. who works in Newman Memorial Hospital's Urgent Care and Emergency Department. He is very dynamic, engaging and passionate about community education!

His presentation will be a two part series on hypertension (high blood pressure). This "part 1" presentation will cover the basics of hypertension, risks associated with it and how it is controlled. His presentation will be followed by a question and answer period. If you would like to join us, please RSVP to Joey Burgtorf at 580-938-5529 or jburtorf@newmanmemorialhospital.org. We look forward to seeing you there!
