

Newman Memorial Wants to Empower YOU to save a life!

Basic Life Support Class for the Community

As part of our ongoing efforts to provide Health and Education Outreach to the community we serve, Newman Memorial Hospital will be providing a Basic Life Support Class (BLS) that is open to the public for enrollment. The fee for the class is \$10 per person. In this class, you will learn CPR and techniques to use if you encounter a choking victim. These procedures will cover infants, children and adults. The course includes a class, written test and skills check. Following successful completion, you will be mailed a BLS card from the American Heart Association. The class will be held March 26th from 9:00 am to 1:00 pm in the Basement Conference Room of the Hospital. Enrollment is limited, so please call 580-938-5537 to reserve your spot.
