

THE FROG

A dedication to O.C. Newman's sprightly bronco (so named for his wild leaps).

A Note From Your CEO

*Happy May from
Newman Memorial Hospital!*

It's a great time to be a resident of Northwest Oklahoma. May has already brought much-needed rainfall, warmer weather, and an impressive number of local baseball and softball teams advancing to the State finals! It's truly inspiring to see such strong representation from our region. Best of luck to all of our athletes as they compete at the highest level!

At Newman Memorial Hospital, our team continues to work diligently to expand access to specialty services right here in Northwest Oklahoma. Our mission is to support our local primary care providers and reduce the need for patients to travel to Oklahoma City, Enid, or Elk City for specialized care. This commitment reflects our belief that long-distance travel for essential healthcare should not be the norm—especially not in our community.

We're proud to say that real progress is being made, and even more exciting developments are on the horizon. In the coming months, you'll see our services evolve and grow to better meet your needs.

Additionally, our staff is preparing for an upcoming Joint Commission survey, with a continued focus on delivering the highest quality care and patient experience possible.

Enjoy the state finals, and once again—congratulations to our incredible Northwest Oklahoma youth! We're proud to cheer you on.

Sincerely,
Tom Vasko
CEO, Newman Memorial Hospital

May is Mental Health Awareness Month

BREAK THE STIGMA!

1 in 5 U.S. adults experience mental illness each year.
